

## Hare & Hound Race, Oregon Raceway Park, August 6<sup>th</sup>, 2017

A weekend off at the track has left me time to compile the final Hare and Hound Prize fund accounting:

First a **huge thank you** to the sponsors of the prize fund for this race !

Toni Larfield \$100.00 cash, Bert Dilly \$50.00 cash, Scott Olsen (Gresham Collision Center) \$250.00, Peter Linssen (The V- Shop) \$100.00, Joe Harlan (Top Tech Motorsports) \$100.00, Pete Belfanti's Skip Day Track Days \$100.00, Jim Larfield donated his \$100.00, pace car driver fee from a prior STAR Event. Neil Hansen donated \$300.00 in a trade out, and Eric Howell \$100.00 from the proceeds of a trailer sale.

Whatever form of coercion, chicanery or outright generosity brought the donations in, they were much appreciated. Although the weekend was not as well publicized as other race promotions we have done, the race its self was a blast.

Appropriately, the race winner was Club President, Scott Olsen in the MGB taking the \$500.00 check for first place. Kevin Smith was second and walked away with \$200.00, Bill Murray in third for \$125.00, The lovely Tracy Hazard in fourth received \$100.00, and Jeremiah Russell found 5<sup>th</sup> good enough to take home \$75.00.

The STAR Projects prize fund has been kicked back \$125.00 of prize money to be applied to promotion of some yet to be determined motorsport event in 2018. When it was all said and done, donations for this event exceeded the \$1,000 guarantee that was paid out. This left a \$100.00 balance which will be retained and earmarked as seed money for a future promotion to benefit a Team Continental Race.

Yours for the Sport

Bill Murray
