

ATTENTION: ALL PRESENTERS, MEMBERS, GUESTS AND FRIENDS OF OREGON RACEWAY PARK:

The track has held the line on increasing our rental fees since the track opened in 2008. As everyone can readily understand, the cost of doing business has not stayed the same. As we go into our ninth season we can no longer delay taking steps to better align our revenues and costs.

In an effort to be fair to our small and large event presenters alike The Board of Directors reviewed many options.

For the 2017 season we are implementing the collection of a Gate Fee of \$5.00 per person per day. This will apply to all persons (15 and older) that enter the property. The fee will be collected at the time the release/waiver is signed and the event wrist band is attached. To avoid delay during the sign in process Cash is preferred; however we can process credit cards if necessary.

As an alternative, an Annual Pass is available for \$25.00 which will allow access for all non-restricted events for the season. The usual Annual Release Form must be signed, and all persons must display either the event wrist band or their annual pass at all times. Brenda our Office Manager will be able to take a photo to process your credential, or you can submit your own photo (full face crop-able to 2x2) and pick up your pass when you sign the annual release.

Your participation is appreciated, and your support will help us continue to make this facility available for all to enjoy and experience the great moments of motorsport for themselves.

Thank you.

Bill Murray

O.R.P. Operations Manager
