### EMERGENCY FIRE AND MEDICAL SERVICES RATES

#### EFFECTIVE AUGUST 1, 2019

Oregon Raceway Park's local Ambulance Service is no longer available. We have reached out to other ambulance services and at this time this is what we can provide. If you can secure your own ambulance service for your event we would encourage you to do so. We would also appreciate learning of alternative services as we continue our search to find (or perhaps create) a qualified replacement for our previous provider. Any assistance you might be able to provide would be greatly appreciated and potentially beneficial to all users of the track. Thank you for your help and understanding.

PLEASE SELECT THE AMBULANCE SERVICE YOU WOULD LIKE TO USE FOR YOUR EVENT.

{ } Metro West (Can provide 2 ALS Ambulances)

\$77.25 per hour plus 6 hour travel time per unit

6 hour day: \$927 per unit

8 hour day: \$1,081.50 per unit

11 hour day: \$1,313.25 per unit

\*If the units are released after 5:00pm we will have to get the crews a hotel due to the amount of hours for the shift. If we have to purchase hotel rooms we will provide a receipt to you and pass the cost on directly with no increase.

{ } Mid- Columbia Fire & Rescue (Only 1 ALS Ambulance Available)

\$180 per hour plus 2 hour travel time

6 hour day: \$1,440

8 hour day: \$1,800

11 hour day: \$2,340

{ } I will provide my own ambulance service for my event.

We are continuing to work on a better pricing solution, thank you again for your patience and understanding.
