

# OREGON RACEWAY PARK CLUB

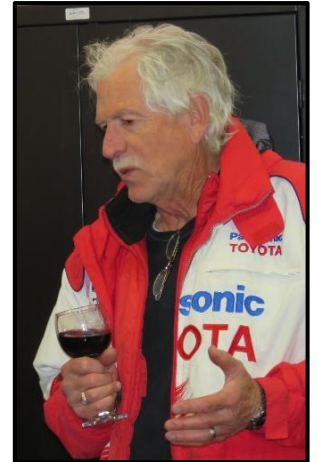

UPDATE - OCTOBER 26, 2019

The numbers are in, the tabulations complete, and in a neck and neck race for The Clubs first annual award, the winner is Will Swope.

In a hard fought battle that included a surprising third place challenge from Jack Steiger and a down to the wire finish with second place going to Joseph Gilmore, Mr. Swope prevailed by destroying (and therefore earning the honor of paying for) more entry, apex and exit cones in one season than did any of his fellow club members.

**Therefore; in consideration of this dubious achievement it is the good pleasure of the track staff to award this perpetual Cone of Shame Trophy, with the name of the past year's recipient inscribed thereon, to be displayed in a place of conspicuity, and to serve as an admonition to Drivers, both present and yet unborn, as an example not to be emulated. May this award serve as a source of merriment for all, and be received in recognition of The Club spirit, camaraderie and good humor with which it is hereby awarded.**

Note: The trophy shop punched the left lower mounting hole in the wrong place and wanted to do it over at no charge. Their offer was declined and they were assured that if everybody got the corners right there would be no need for this award.
