

ORP COVID-19 Visitor Questionnaire

The safety of our employees, supplier partners, customers, families and visitors remain ORP's overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, ORP Management are monitoring the situation closely and will periodically update company guidance based on current recommendations from the Centers for Disease Control and Prevention and the World Health Organization.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone at this facility. Thank you for your time.
