

OREGON RACEWAY PARK

Update for April 2-3-4, 2021 Pg 1 of 2.

O.R.P. Club Days

O.R.P.C. welcomed four new members last weekend: Dennis Clark (Grey Porsche GT-3 rs), Shane Daly (Red Toyota Supra), Michael Ramberg (B.M.W 330 ti), and Jonathan Carlson (Porsche Cayman).

Club Membership hovers at 99 of the coolest guys on the planet. Let's use those Guest Trial Day discount certificates and make it 100.

Sometimes you can see the smiles through the helmet. This one is Ryan Alter from Montana.

Ryan will be bringing his team for the Lemmon's Race this July 24th & 25th and maybe the Lucky Dog Racing League event scheduled for July 31st and August 1st.

Ryan drove The Acurat, The Cop Car, and our Mercury Marquis all on his first day ever on a race track. The car they are building is also a Mercury Marquis.

Gary Guise heads out for some laps on Sunday, a Birthday Present from his son Club Member Greg Guise.

David Baker (also a Lucky Dog Racer) in his BMW on the dive down the North Straight into turn 11. A blink of tail lights and he is gone.

O.R.P.C. Members get a 10% discount on any of the STAR Projects rental fleet.

Remember: Car rentals are available. We have entry level vehicles that you or your guest can probably fit in. With some advance warning we can set up multiple drivers in fairly well matched cars. The base rental price on most cars is \$500. Fuel, tires and brakes included. The liability limit for a totally non salvageable vehicle is only \$3,500. (So you can drive it like you stole it). The 944 Porsche's are \$800 per day (probably not worth the extra cost).

OREGON RACEWAY PARK

Update for April 2-3-4, 2021 Pg 2 of 2.

Joseph Gilmore in the Rubber Band Car.

BMW Driver Noah Ketchum. A young and developing talent.

A summit meeting? This guy knows exactly what he is doing!

We are all eager to return to our regular long table Food Service just as soon as the Covid rules allow.

Long time member Jack Steiger contemplates a balancing act as Ron Tanner stacks on one more item. No fear Jack is smooth on and off the track.

Volunteers Marla and Joyce hit it out of the park on Saturday:

Big Ed Pavone wrote: "That clam chowder was over the top friggin fantastic. One of the best I have ever had, which includes my homemade version. So how can I get a 55 gallon drum of it? Where did it come from and how can I get more? And the recipe??? PLEASE!!!"

The follow-up on Sunday for Easter lunch was sliced ham, scalloped potato, Deviled eggs, green salad with choice of dressings, dinner roll with butter, steamed broccoli and sliced fresh strawberries over vanilla ice cream for dessert.

Bill Murray
