

# Photography Rules

1. You must obtain permission to enter track for photos from track management.
2. Stay away from turn 16 and any run off areas.
3. Stay 50' away from track at all times.
4. You must have a radio before entering track. If you do not have your own radio, get one from track office or staff.
5. If you need to cross track, go to the closest manned turn station to get a gap to cross track.
6. Do not be a distraction to riders/drivers.
7. Anyone caught breaking the rules will be removed from the track and not allowed back out for photos and / or removed from ORP property.
8. Bring in all of your garbage at the end of the day.
