

STAR PROJECTS

1. The standard rental for all cars, one driver is \$500 /day wet.
2. The 944's are \$800 / day.
3. The totaled (can't salvage a thing) exposure is limited to \$3,500 and \$6000 respectively.
4. The tires are stones.
5. I don't charge for mechanical failure unless it is clearly the result of driver error and I try to always have a back-up car ready to go.
6. Call for any questions and availability.
